SUBJECT

25X1

Pursuant to their investigation generally known at the Department of Justice has requested the Agency to search for any records fitting the description in the attachment. If such exist, it is possible that one or more of such might be in the possession of your office. Would you undertake the appropriate search and forward to this Office the original copies of any such materials. If possible, I would appreciate your replies by 17 September 1976. If one or more of the items described presents a particular search problem, please contact

25X1A

of this Office prior to your undertaking search.
